Sir:

Appellant believes that the Supplemental Appeal Brief filed July 19, 2006 is fully compliant with the provisions of 37 C.F.R. § 41.37(c), and requests that the Notice of Non-compliant Appeal Brief dated October 24, 2006 be withdrawn.

After receipt of the instant Notice, Appellant's representative contacted Supervisor Kalinowski. On November 22, 2006 Supervisor Kalinowski contacted Appellant's representative by telephone to explain that the instant Notice would be withdrawn and that an Examiner's Answer will follow in due course. Appellant's representative requested an Interview Summary indicating that Appellant did not have to response to the Notice. Supervisor Kalinowski agreed to provide the same.

However, because Appellant has not yet received the Interview Summary, in order to ensure that the record is clear and to ensure that Appellant will not be required to pay any extension of time fees, Appellant is herein submitting this paper within the one-month time limit set by the Notice.
